Sustainability: Of What? For Whom?

Tuesday, February 12, 2013, 4:30 p.m.
Guerlac Room, A.D. White House

Panelists:

Virginia Kennedy (English)
*Cultural Climate Change: Paradigm Shifts in a Warming World*

Laura Martin (Natural Resources)
*Coral, Competition, Cold War: Eugene and Howard Odum's Ecological Research at Eniwetok Atoll*

Daegan Miller (History)
*Black and Green: African American Pioneers and Freedom’s Ecology in the Adirondacks, 1846-1859*

Panelists are recipients of Sustainability Research Grants awarded by the Society for the Humanities Initiative on Sustainability via the Humanities and the Arts, which is the sponsor of this event, with support from the Cornell Roundtable on Environmental Studies Topics (CREST) and the Atkinson Center for a Sustainable Future.
